

S

COMPACT REMOTE

MR16 Surface Mount

Single, Double or Triple

6V, 12V, & 24V Lamps

 **Approvals:**
CSA Certified to C22.2 #141

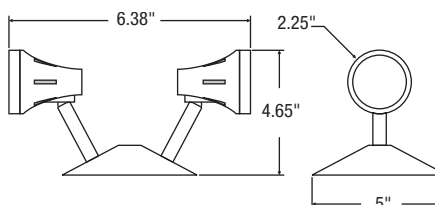

DESCRIPTION

The S series of commercial MR16 remotes provides exceptional light output in a compact, traditional design. The die cast, all metal housing is fully adjustable with a friction lock tilt and swivel that can be locked in place with a rear mounted set screw. The canopy is designed to mount directly to typical electrical junction boxes. Available in 6V, 12V and 24V models, all utilizing low glare, MR16 quartz halogen or LED lamps.

MECHANICAL

- Die cast, solid metal housing with die cast, twist lock lamp collar
- Complete adjustability - both tilt and swivel
- 5" diameter canopy standard
- Two canopy mounting holes designed to match standard electrical junction boxes
- White paint finish is standard, black color is optional
- MR16 lamp designed with low glare reflector and available in 6VDC, 12VDC or 24VDC

DIMENSIONS
