Firm Name: _____

Project: _____

Black

Customizable and durable accessory designed for all Blast gen4/gen5 luminaires

- Blast Powercore gen4/gen5 accessories offer a variety of operational and aesthetic possibilities to lighting designers as well as the dependable durability associated with Color Kinetics products. Multiple beam angles can be achieved with the spread lenses to offer a range of floodlighting, spotlighting, wall washing and grazing options. The rock guard, louver, and glare shields can be installed on luminaires to improve the precision of the lighting while also providing extra protection.

- Match the color of the accessories to the housing color of the Blast luminaires you have chosen.
