

## ST1 T5 - STRIP 1 LAMP T5

**General**

Surface mount fixture with a small body using the latest T-5 fluorescent technology.

Ideal for functional applications requiring ample lighting in tight spaces such as under-cabinet, display cabinets, and valance lighting.

Suitable for surface and continuous row mounting.

**Remote Ballast Configuration**

Fixtures with remote ballast are available for lengths from 2' to 5'.

**Electrical**

Available in electronic ballasts only.

Available voltages: 120V, 347V or UNV (120-277)

Note: 6", 9" & 12" - 120V only.

**Housing & Finishing**

Die-formed cold rolled steel finished in pre-painted high-gloss white.

**Approval**

CSA and CSA-US certified.

**LED TUBE DISCLAIMER**

Pioneer fluorescent fixtures are designed and CSA listed *only* for the fluorescent lamps as indicated on the fixture label. Pioneer cannot guarantee proper operation of any other lamp types installed, including LED tubes. This will void the original factory warranty and Pioneer will not be responsible for any costs or damages incurred as a result. It is the sole responsibility of the LED tube supplier to confirm compatibility with our ballasts. See our Terms and Conditions of Sale, paragraph 9 – Warranties and Remedies
